Position Summary: The School-based Counselor provides (1) early intervention therapy and counseling services in a designated school district, (2) case management and mental health support services at the school and in the homes of at-risk students, and (3) consultation services to school personnel, liaison support to community agencies, and training programs for school and community populations.

Duties & Responsibilities

SERVICES TO STUDENTS:

- Identify students in need of trauma support and to provide prevention, screening, referral and treatment services to students potentially in need of services.
- Provide trauma-informed therapy and counseling interventions (group, individual and/or family) for at-risk students.
- Provide mentoring and other intervention models to children and their families who have experienced trauma or are at risk of experiencing trauma, including those who are low-income, homeless, in foster care, involved in the criminal justice system, unemployed, experiencing a mental illness or substance abuse disorder or not enrolled in or at risk of dropping out of an educational institution.
- Provide case management for students and families requiring multiple resources.
- Provide quality trauma support and behavioral health care services.
- Provide home-based services to the families of students who have experienced or are at risk of experiencing trauma, including those who are low-income, homeless, involved in the child welfare system or involved in the juvenile justice system.

SERVICES TO SCHOOL PERSONNEL:

- Assist teachers with behavior management strategies.
- Provide staff with essential information to better understand factors (cultural, societal, economic, familial, health, etc.) affecting a student's performance and behavior.

- Train school staff on trauma-informed approaches to education to develop safe, stable and nurturing learning environments that prevent and mitigate the effects of trauma.

SERVICES TO DISTRICTS:

- Provide consultation regarding school law and school policy including IDEA and Section 504.
- Assist in developing positive behavioral intervention strategies.
- Assist in developing and implementing educational programs, including programs on safety and bullying.
- Develop alternative programs for drop-out, truancy, delinquency, etc.

SERVICES TO PARENT/FAMILIES:

- Work with parents to facilitate their support in their children's school adjustment.
- Alleviate family stress to enable the child to function more effectively in school & community.
- Assist parents in accessing and utilizing school and community resources.
- Work with those problems in a child's living situation that affect the child's adjustment in school (home, school, and community).

SCHOOL-COMMUNITY LIAISON:

- Obtain and coordinate community resources to meet students' needs.
- Provide health services and intervention strategies by coordinating the services provided by eligible applicants and coordinated care organizations, public health entities, nonprofit youth service providers and community-based organizations.
- Foster and promote communication between the school entity, community and law enforcement.
- Increase access to quality trauma-informed support services and behavioral health care by linking the community with local trauma support and behavioral health systems.
- Help school districts receive adequate support from social and mental health agencies.
- Advocate for new and improved community/school service to meet the needs of students and families.
- Mobilize family, school, and community resources to enable the child to learn as effectively as possible in his or her educational program.
- Help school districts receive adequate support from social and mental health agencies.
