BOB SCHILLER

LIFE JOURNEY SCHOLARSHIP AWARD

Bob Schiller (1950-2005) was a visionary leader who dedicated his life to empowering non-traditional students through education, guidance, and support. At just 25 years old, he pursued his dream of creating a school for students who needed additional academic, social, emotional, and mental health support.

In 1975, Bob secured a grant to establish an alternative school, laying the foundation for what would become The Lincoln Center for Family and Youth (TLC). As the first principal of the school and later the founding Board President of TLC, Bob's passion and dedication shaped the organization's mission and impact. His leadership helped TLC grow into a trusted leader in serving children and families.

In honor of his lasting legacy, the Bob Schiller Life Journey Scholarship was established. This scholarship is awarded annually to a graduating Academy senior who exemplifies resilience, determination, and a commitment to personal growth—qualities that Bob championed throughout his life.

Through this scholarship, Bob's spirit of empowerment and belief in the potential of every student lives on, inspiring future generations to continue their own life's journey with purpose and perseverance.
